

January 2010

Announcement RMA Welcomes Universal Lighting Technologies

RMA has exciting news to start 2010, we are welcoming Universal Lighting Technologies.

ULT is a global leader in the design & manufacture of high-efficiency lighting ballasts and control systems. This systems company offers a full line of electronic and magnetic ballasts for compact fluorescent, linear fluorescent and HID lighting, along with a comprehensive line of digital and analog dimming systems.

Mike Begert, Richard McDonald & Dan Parker
Principals

Ballast Options

Universal Lighting Technologies

ULT offers a ballast for everyone.

ULTim8 High Efficiency Electronic Ballasts, Accustart8 Programmed Rapid Start Ballasts & the Dimming Family of SuperDim, BallaStar, DEMANDFlex & Dali-Pro.

Ballast Replacement Kits

Compact Fluorescent Ballast Replacement Kit

Replaces 3 SKU's with 1 Versatile Kit.

Fits virtually every j-box cover and fixture application.

The Multi-Exit ballast lead wire connection accommodate side and bottom lead exit requirements, and the Snap mount adapter plate adds bottom-exit studs and additional flexibility for replacement of older magnetic ballasts.

Also available **Universal HID Ballast Kits** provide everything you need for an easy ballast replacement.
